Superintendent's Letter - May 2017

Dear San Mateo-Foster City Community,

May is a time of appreciations. I am particularly thankful for the dedication of our San Mateo-Foster City School District staff and their commitment to the success of every student. They support our students in doing their best academically and provide encouragement and guidance. They are role models and understand the profound influence that they have in the lives of our students. It is my privilege to extend a heartfelt message of gratitude to our staff and I encourage our community to join me in appreciating our staff members during Certificated and Classified Appreciation Weeks and throughout the year.

I am excited to announce that **Jeannette Ramirez** has been selected as the next principal of **Fiesta Gardens International School**. Ms. Ramirez is coming to the San Mateo-Foster City School District from the Greenfield Union School District where she is the principal of Oak Avenue Elementary. Previously, she was a Principal in the West Contra Costa Unified School District and Vice Principal in the Pittsburg Unified School District. She has been a bilingual and dual immersion teacher and is looking forward to the opportunity to return to an immersion program and relocate to be closer to family here in the area. Her son, San Mateo Police Officer Julio Jolivette, is a graduate of Parkside Elementary School! We welcome Jeannette Ramirez to the Fiesta Gardens family.

It is a busy time of the year and I hope that you are able to enjoy the end of year festivities.

Sincerely,
Joan Rosas, Ed.D.
Superintendent
