

SAN MATEO- FOSTER CITY SCHOOL DISTRICT

Give Your Input on Distance Learning Family Survey (Version 2.0) by Monday, June 29, 2020

This [Distance Learning Phase 2 Survey \(Version 2.0\)](#) represents a revised version of the Distance Learning survey that was sent to families in May. This survey will provide valuable information to teachers, school and District leaders and the Board of Trustees regarding the strengths and challenges our students and families experienced during Distance Learning.

This survey should not be confused with the SMFCSD Fall Family Registration Survey which will be sent in the coming weeks.

All individual responses are confidential and only group responses will be reported. Please respond for each child enrolled in an SMFCSD school. Families may provide answers for up to five children in one survey; please submit an additional survey if you have more than five children enrolled.

Survey Link: <https://tinyurl.com/SMFCSurveyV2>. Thank you for sending your [survey](#) responses **by Monday, June 29, 2020**. If you completed the May version of this survey, we do need you to complete this Version 2.0 of the survey.

Thank you very much for your feedback on SMFCSD's Distance Learning Phase 2.
