SCHOOL DISTRICT

**Moving and Relocating Services  
RFP #19-003**

**Responses to Request for Information/Clarification  
February 13, 2020**

Questions #1:

What is the anticipated amount of storage space needed to fulfill this contract.

***This will depend on the project. Typically metal shipping container storage may be brought on site for storage. The amount will vary depending on the project but on average, 4 metal shipping containers (8 feet wide x 20 feet long x 8.5 feet high).***

Question #2

With the inclusion of the **PREVAILING WAGE CERTIFICATION** document in the subcontract agreement. Should we assume that all services be performed require prevailing wage pricing?

***All labor services required by the District will be prevailing wage.***

Question #3

Can you please explain/define what is requested for the line item **General Rate** on Attachment 1 – Proposal Form?

***The General Rate is the average hourly rate of your movers (not including Superintendent/Manager), working at a regular work day.***
