Student Transportation Services

Addendum #3

May 31, 2019

Please note that the information provided in Addenda 1, 2, 3 and all future addenda are not intended to represent the actual transportation program the District will adopt. It is a means by which all submitted proposals can be judged in a fair and reasonable method.

Item 1 – Can you provide a copy of the current First Student contract, to include all addendums, pricing pages and any other contractual updates?

These documents are District documents and we can make them available only through a California Public Records Request Act. These kinds of request are only handled through the Superintendent's Office. Please contact Ms. Ana Almen (aalmen@smfcsd.net).

Item 2 - Can we be provided with copies of all invoices, to include detailed support data from August 2018 to date?

Same Response as in Item 1 above.

Item 3 - Field Trips - Can we be provided with the billable hours and mileage for all trips during the 17/18 school year?

Same Response as in Item 1 above.

a. Are all field trips operated with district owned buses? No pricing for contractor owned buses?

Field Trips uses a combination of District owned busses and contractor provided busses.

Item 4 - Exhibit F – Can you identify which students require a wheelchair lift?

Currently, the District has five students that are on wheelchair. Assume that the 5 students all originate in North Central San Mateo (El Dorado Loop) and the students attend the following schools: Abbott, Laurel, George Hall, Foster City Elementary, and Bowditch.
