Unexpended Balance of EIA funds	--	\$1,025,232
Explanation of why all of the funds have not been expended	<p>District and School EIA funds were carried over into the <u>2012-13</u> school year to cover encumbered expenditures including Professional Development, salaries/benefits for staff and materials due to the late allocation of funds from the state. These funds are needed to keep current programs, services and staff in place for the start of the 2012/2013 school year.</p>	<p>District (\$217,452) and All School Sites (\$807,779) EIA funds were carried over into the <u>2013-14</u> school year to cover encumbered expenditures including Professional Development, salaries/benefits for staff and materials due to the late allocation of funds from the state. These funds are needed to keep current programs, services and staff in place for the start of the 2013/2014 school year.</p>
