*For crediting as a Grain/Bread Component, FNS Child Nutrition Programs require 1) all grains/breads items must be whole grain, made from whole grain and or flour. If using a cereal it must be whole grain. Bran and germ are credited the same as whole grain flour; 2) the exact or minimum amount of creditable must be documented to assure that 16 grams of creditable grains equals one grains/breads serving. Grains/Breads may be credited in ¼ serving increments.

BUY AMERICAN CERTIFICATION

National School Lunch Program (NSLP) and School Breakfast Program (SBP)
[7 Code of Federal Regulations (CFR) Sections 210.21(d) and 220.16(d)]

The Buy American provision requires participants to purchase, to the maximum extent practicable, domestic commodities or products for use in meals served under the NSLP and SBP. A domestic commodity or product is one that is produced and processed in the United States substantially using agricultural commodities that are produced in the United States. "Substantially using" means over 51 percent of the final processed product consists of agricultural commodities that were grown domestically.

There are two situations which may warrant a waiver to permit purchases of foreign food products include:

- 1) the product is not produced or manufactured in the U.S. in sufficient and reasonable available quantities; *or*
- 2) competitive bids reveal the costs of a U.S. product is significantly higher than the foreign product.
