### **Country of Origin:**

United States

Country of Origin or product origin is defined as the country where the material was manufactured/produced/cultivated. When the material undergoes substantial transformation in a second country, the country in which the transformation is performed shall be considered the country of origin.

### **Kosher Status**

Not certified

### **Halal Status**

Not certified

### **GMO Statement**

Currently, our natural cheeses are not GMO-free.

### **rBST Statement**

This product is derived from cows not treated with recombinant Bovine Somatotropin (rBST)\*

\*The FDA has said no significant difference has been shown and no test can distinguish milk from rBST treated and untreated cows

### **SDS Statement**

This product is not a hazardous or toxic material as defined in the Occupational Safety and Health Administration (OSHA) Hazard Communication Standard, 29 CFR 1910.1200, therefore a SDS has not been prepared.

### **Manufacturing Facility**

Facility is registered with the FDA in compliance with the Public Health Security and Bio-terrorism Preparedness and Response Act of 2002 and the related FDA interim final rules on facility registration and prior notice published in October 2003.

Facility is certified under the Global Food Safety Initiative

### **Continuing Guarantee**

All processing and packing is performed in a sanitary manner in accordance with all current Good Manufacturing Practice Regulations issued by the Federal Food and Drug Administration and conforms in every respect to the requirements of the Federal Food, Drug and Cosmetic Act as amended and regulations thereof. The product is manufactured to comply with 21 CFR, Sec. 110 (Current Good Manufacturing Practice in Manufacturing, Packing or Holding Human Food)

### **Confidential Statement**

This specification and the information contained within it remains the property of this company and must not be disclosed to any third party without the prior written permission of the company.

### **Disclaimer:**

The information provided and the recommendations made herein are based upon our research and are believed to be accurate, but no guarantee of their accuracy is made. In every case we urge and recommend that the purchaser, before using any product in full scale production, make their own tests to determine to their own satisfaction whether the product is of acceptable quality and is suitable to their particular purposes under their own operating conditions. The product will be manufactured in accordance with all current relevant U.S.
